Guidelines for participants during the 2019 Annual Celebration of Scholarship Symposium:

Poster Session (April 22, 2019, 11:00 am- 12:00 pm):

1. The Poster Session will be in McNair Hall, Cultural Arts Center on Monday, April 22, 2019, from 11:00 am – 12:00 pm. The tables will be set up around 7:30 a.m. to allow students to arrange their posters between 8AM and 10AM. Student posters must be set up by 10:00 am, and they must be on a 36” by 48” trifold poster or if it is a large poster on a single sheet from a Powerpoint template, it needs to be secured with binder clips to a 36” by 48” trifold poster. Professional attire is required.

2. It is required that at least one of the members of the group be at the Poster Session as a presenter of the group’s work. However, it is preferred that all the members of the group be present.

3. Each poster will be assigned a number. Look for the number on the tables and set up your poster where your number is posted. Stick your number on your poster for easy viewing.

4. Each poster must have a title, the names of all the contributors, and the presenter’s college.

5. Name tags will be available at a designated table for the presenters. The name of the presenter(s) and the presenters’ college must be written on the name tag.

6. NOTICE: Students must remove their posters from the Display Session by 1:00 pm on Monday, April 22, 2019. Please leave the orange poster number card on the table when you remove your poster. Posters that are left after that time can be found in Dr. Ellis’ office.

Judging

Judging (at various times)

1. Students who submitted applications should have selected whether or not they wanted to be judged. Students will be contacted to register for a specific judging time. Times will be assigned on a first come, first serve basis.

2. During the assigned judging time, students will meet with two judges and discuss their posters with the judges for approximately 10 minutes, after which the two judges may ask questions.

3. The poster and presentation should be prepared in such a way that communicates the research to a general audience. Posters will be scored based on accepted methods of presenting research in your discipline. Contact your research advisor for more information.

4. Awards will be given for each grouping (minimum of 3 judged posters).
