

How to Create a Youtube Channel

How to Create a Channel:

<http://support.google.com/youtube/bin/static.py?hl=en&guide=1646810&topic=1646870&page=guide.cs>

- i. Click on “Click here to upgrade to a Youtube Channel”

The screenshot shows the YouTube Help page for 'Sign up for YouTube'. At the top, there is a search bar with the text 'Search YouTube Help' and a magnifying glass icon. Below the search bar, there are two buttons: 'Help home' and 'Sign up for YouTube'. The main heading is 'Sign up for YouTube'. Below the heading, there is a paragraph: 'This guide will help you through the sign-up process. Select the tab that best fits your situation.' On the left side, there is a sidebar with four tabs: 'I already have a Google Account', 'I don't yet have a Google Account', 'Creating a Channel', and 'Migrate data from a legacy YouTube account'. The 'Creating a Channel' tab is selected. Below the tabs, there is a section titled 'Creating a Channel'. It contains a link 'Click here to upgrade to a YouTube Channel' which is circled in red. Below this link, there is a paragraph: 'In order to perform certain actions on YouTube (such as uploading, commenting, or creating playlists), you'll need to create a YouTube Channel.' Below this paragraph, there is a section titled 'Create a Channel with your G+ identity'. It contains a paragraph: 'If a Google+ profile exists on your Google Account, you have the option of using your Google+ name and avatar as your YouTube identity for your new Channel. For more information on YouTube and Google+, please view [this guide](#).' Below this paragraph, there is a section titled 'Create a Channel with a YouTube username'.
