

Uploading Youtube Videos

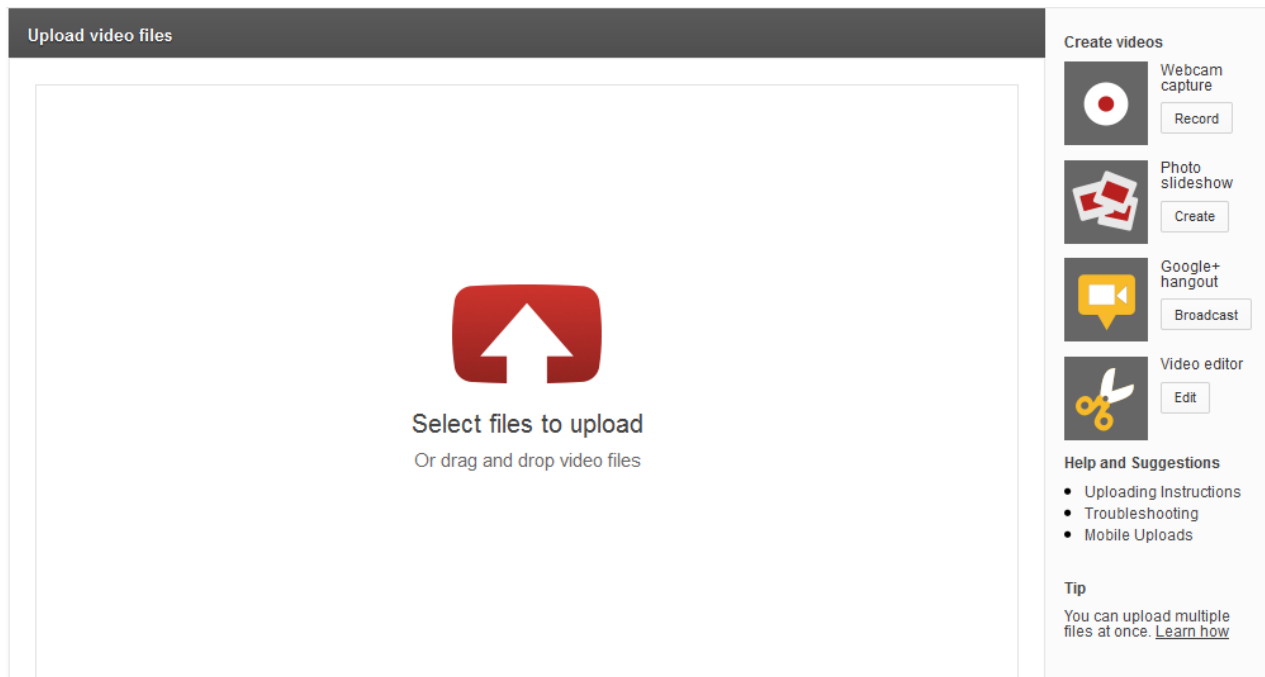

To upload videos to Youtube:

1. Create a Gmail account.
2. Sign into Youtube.
3. Create a Youtube Channel. Choose a username (if desired).
4. Click Upload on your Youtube home page.

Uploading Youtube Videos

5. You will be taken to a screen where you can upload video files. You can select files to upload from your computer or you can drag the files onto the area with the arrow (as shown below). To upload multiple files at once, press CTRL (without letting go) and select each file for upload after clicking on the arrow. Click Open when you have selected these files. They will begin to upload.

Uploading Youtube Videos

6. You will be asked to create a title for each video as it uploads. You can add a description to the video and also attach tags.

You can choose to make the video Public or Private or Unlisted. To allow students to view the video, please select Public.

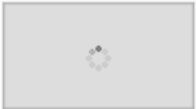

In the category options, choose Education.

Once the upload is complete, the video will be posted.
